1. Circle the speed of the musical examples you hear (video time 5:42 or teacher provided):

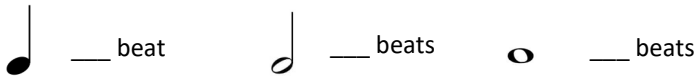

Example #1: "Gymnopédie No. 1"- Erik Satie

Example #2: "Symphony No. 9"- Beethoven

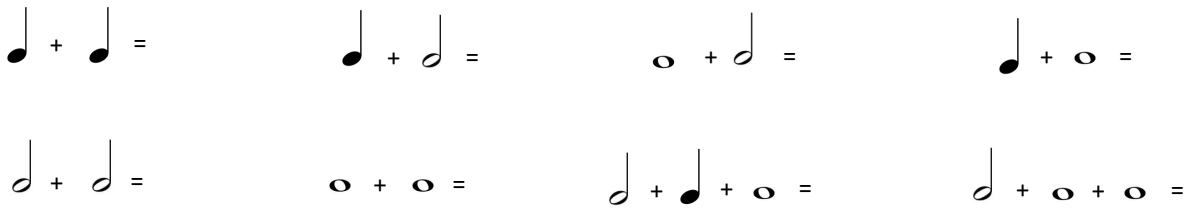

Adagio (Slow)/ Prestissimo (Very Fast)

Adagio (Slow) / Prestissimo (Very Fast)

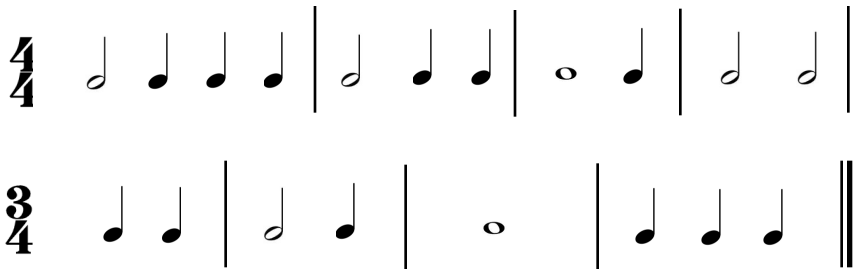

2. In common time (4 on the bottom) notes get:

Try this music math! How many beats?

3. You be the teacher! Use the top number of the time signature to decide how many beats should be in each measure. Then use or to show if the measures below have the correct number of beats in each bar!

4. You be the composer! Create a rhythm in each of the time signatures below.
